The duly authorized contact person from the shipper (by name and signature provided below) hereby certifies that the above mentioned shipment details have been evaluated carefully and in accordance with the requirements of the International Convention for the Safety of Life at Sea (SOLAS) as published in Chapter VI, Part A, Regulation 2 – Cargo Information. This Verified Gross Mass (VGM) contains the VGM calculated per container. Amendments, updates and/or corrections to the verified weights must be communicated and submitted to the responsible Reilly International Ocean Export Department colleague immediately and without delay to avoid no-load and associated delays and costs.

I understand and confirm that missing, incorrect and/or late VGM declarations may result in the non-acceptance of the shipment by the vessel operating ocean carriers resulting in a delay to the originally planned schedule. I further understand and confirm that any additional costs associated with the delay resulting from the non-acceptance of the shipment by the carrier are the responsibility of VGM declaring party (as undersigned).
